Basis of opinion

We conducted our work in accordance with Practice Note 20 'The audit of insurers in the United Kingdom (revised)' issued by the Auditing Practices Board. Our work included examination, on a test basis, of evidence relevant to the amounts and disclosures in the Forms and the statements. The evidence included that previously obtained by us relating to the audit of the financial statements of the insurer for the financial year on which we reported on ~~14~~ March 2014. It also included an assessment of the significant estimates and judgments made by the insurer in the preparation of the Forms and the statements.

We planned and performed our work so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the Forms and the statements are free from material misstatement, whether caused by fraud or other irregularity or error, and comply with IPRU(INS) rule 9.11.

Opinion

In our opinion the Forms and the statements fairly state the information provided on the basis required by the Rules and have been properly prepared in accordance with the provisions of those Rules.
